Respected Sir,

## **Sub: Request for early disbursement of Pension for October, 2024**

Kindly refer HO Circular No. CHO/PMG/2024/35 dated 04.10.2024 containing details of Renewal of Medical Insurance Scheme for retired employees for the year 2024-25. In your said circular it has been instructed to complete the process of online submission of application for renewal within 24.10.2024 so that Bank may deduct premium on and from 24.10.2024 from respective Pension Account.

In this connection we place it before you that it will be extremely difficult for the Pensioners/Retirees to pay such premium amount at the end of the month unless pension is disbursed prior to that date. Hence we earnestly request you to ensure that pension is credited to Savings accounts prior to commencement of deduction of premium for Medical Insurance Policy for 2024-25. We feel it pertinent to mention that Bank has disbursed pension before deducting premium in previous years also.

Hope the Bank shall make necessary arrangement for disbursal of Pension prior to deducting premium as appealed hereinabove.

Thanking you,

Yours faithfully,

S N Dey  
General Secretary
